STORAGE

RAILBLAZA GEAR CRATE

Maximize your adventures with the RAILBLAZA tackle stowage box. Benefit from innovation and durability, whether you are exploring calm waters or tackling challenging currents.

- The outstanding features and flexibility of this box include, for example Recesses on the outside of the corners for storing your fishing rods, rod tubes or landing nets.
- Regardless of the size of your fishing arsenal, you are not hindered by equipment restrictions, as you can customize the box with RAILBLAZA accessories such as TracLoader, StarPorts or MiniPorts with star mounts, or with mounting rails, e.g. two on each side or one on the lid.
- These star mounts or rails allow you to attach a variety of important fishing accessories such as a practical drinks holder, an action camera, lighting, a spooling station and much more to the box, which can be removed.
- With this box, transitions from land to water are easy, or the transportation of equipment to the kayak, fishing boat or inflatable boat is effortless.
- Enjoy the journey with this RAILBLAZA Gear Crate, a great companion for outdoor adventures.
