Teak Oil

Sealing protects and cares for teak and precious wood. The formula penetrates the wood and forms a non-drying oil barrier against moisture, dirt and stains and counteracts the ageing of the wood.

Danger warnings: H226, EUH066, P102, P210, P233-P403+P235, P262, P332+P313, P501b

Weight
1 l

Order Nr.
65 3017

Nr. 1 - Teak Cleaner

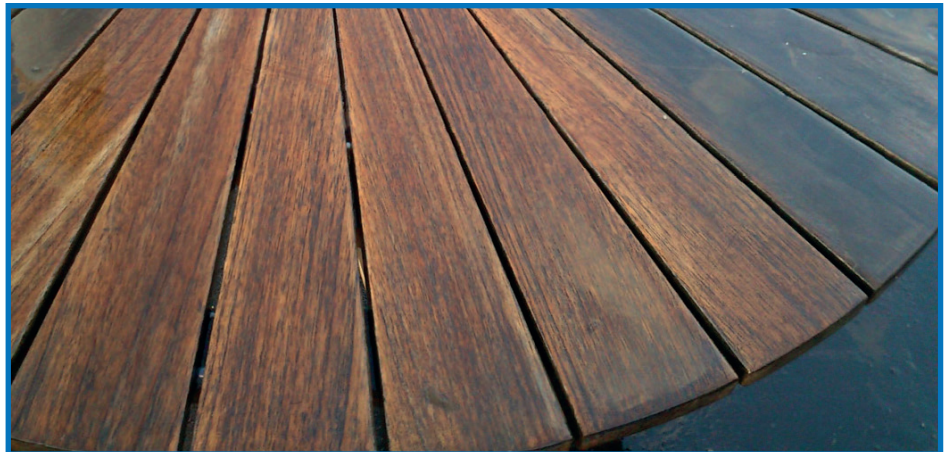

This cleaning powder removes stains, salt and deep dirt. Concentrated, 500ml makes more than 5 liters of cleaner. It is biodegradable and easy to use. Best used in combination with the Teak Brightener and Sealer.

Danger warnings: H319, H335, H315, P102, P261f, P262, P332+P313, P305+P351+P338, P337+P313, EUH208, EU011

Weight
500 ml

Order Nr.
65 3014

Nr. 3 - Teak Sealing

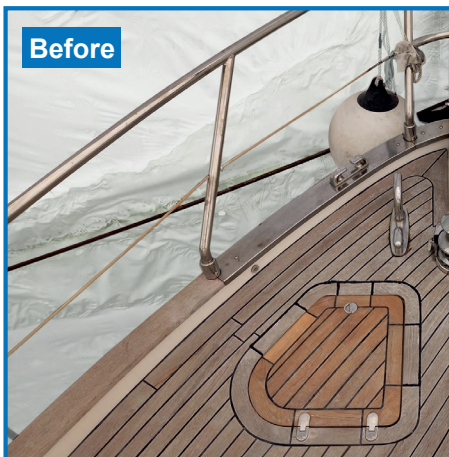

Seals and protects against sun and weather. Restores natural oils and resins that have been lost through contact with the marine environment. Best used in combination with the Teak Cleaner and Brightener. Biodegradable.

Danger warnings: H226, EUH066, P102, P210, P262, P303+P361+P353, P501b

Weight
500 ml

Order Nr.
65 3016*

250ml	65 3018

Impregnating agent

This impregnating agent protects your high-quality marine fabrics such as clothing, bimini, umbrellas, tents, etc. The material is protected against moisture, UV rays, discoloration and porosity.

Danger warnings: H226, H304, H412, EUH066, P101, P102-P405, P210, P280, P301+P330+P331, P304+P340, P273-P501

Weight	Order Nr.
1 L	65 3027

Inflatable boat brightener - extra strong

Restores the original appearance of inflatable boats that have aged due to sun, moisture, saltpetre and sun creams. Safe to use on all types of inflatable boat materials such as PVC, Hypalon or neoprene. Solvent-free.

Danger warnings: H319, H412, P101, P102, P262, P305+P351+P338, P337+P313, P273-P501a

Weight	Order Nr.
1 l	65 3020

Marine glass cleaner

This spray cleans and protects boat glass windows. Prevents the build-up of salt, dirt and grease and leaves a protective layer. Easy to use and biodegradable.

Danger warnings: H226, H319, P101, P102, P210, P337+P313, P280F, P305+P351+P338

Weight	Order Nr.
500 ml	65 3008*

Vinyl Cleaner / Brightener

Cleans, conditions, brightens and protects vinyl seats, cushions and canvas. Provides UV protection, long-lasting shine and prevents cracks in vinyl. Biodegradable.

Danger warnings: P337+P313, H319, P102, P262, P305+P351+P338, P501b

Weight	Order Nr.
500 ml	65 3006

Corrosion protection

Zentouro is a salt and rust protection agent. Metal surfaces are protected against oxidation, corrosion and further rust, even in severe weather conditions. It cleans and dissolves grease, metal oxide, dirt and salt deposits.

Danger warnings: H222, H229, H315, H318, P102, P210, P211, P251, P271-P260d, P303+P361+P353-P352, P305+P351+P338-P310, P410+P412

Weight	Order Nr.
150 ml	65 3000

Mildew Remover

Removes mildew and damp stains. Suitable for all types of fabrics and surfaces. Easy to use and biodegradable.

Danger warnings: H226, H304, H319, H315, H336, H410, H317, P102-P405, P210, P280F, P301+P330+P331, P303+P361+P353, P304+ P340, P305+P351+P338, P273-P391-P501a,

Weight	Order Nr.
750 ml	65 3025

Bilge cleaner

Very concentrated formula that removes and emulsifies all types of grease, gasoline, oil, tar, sludge and dirt that have accumulated in the bilge. This leaves it clean and with a pleasant smell.

Danger warnings: H226, H304, H319, H315, H336, H410, H317, P102-P405, P210, P280F, P301+P330+P331, P303+P361+P353, P304+ P340, P305+P351+P338, P273-P391-P501a,

Weight	Order Nr.
1 L	65 3002

Metal cleaner

This paste cleans, polishes, protects, seals and brightens brass, copper, aluminum and stainless steel.

Danger warnings: H226, H315, H318, H336, H317, H411, P102, P210, P280C, P303+P361+P353, P304+P340, P273-P391-P501a, P305+P351+P338

Weight	Order Nr.
270 ml	65 3001

Dehumidifier

Dehumidifier for boats, jet skis, engine compartments, caravans, etc. Reduce the humidity in a closed room and prevent mold stains or bad smells. Also ideal for winterizing boats or caravans. Place this bucket wherever you want, you can purchase a refill kit separately and refill and reuse the bucket again and again.

Danger warnings: H319, P101, P102, P305+P351+P338, P337+P313

	Weight	Order Nr.
Room up to 15m ²	350 g	64 1997
Room from 15m ²	1,75 kg	64 1998
Refill kit	350 g	64 1999

Rust remover

Removes heavy oxidation (rust) from iron, chrome, steel, stainless steel, wood and fiberglass/gelcoat. Very effective degreaser. Biodegradable.

Danger warnings: H290, H314, H335, H410, P102-P405, P271, P280, P301+P330+P331, P303+P361+P353, P305+P351+ P338, P273-P501a

Weight	Order Nr.
750 ml	65 3011

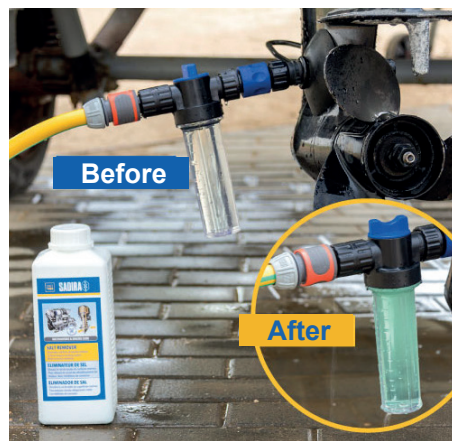

Salt remover

The best solution for dissolving salt deposits from engines, surfaces, sails or fishing equipment. Dissolves and releases salt from all surfaces. Flush the engine cooling system. Leaves behind corrosion protection.

Danger warnings: H319, P101, P102, P262, P305+P351+P338, P337+P313, P501b, EUH208

Weight	Order Nr.
1 l	65 3030
1 l + Mixing unit	65 3031
Mixing unit	65 3035

Rust remover gel

A viscous gel which is applied is used on steel, stainless steel and gelcoat.

In addition, the gel has a fast limescale dissolving property which leaves a corrosion protection after cleaning.

Danger warnings: H290, H314, H335, H410, P102-P405, P271, P280, P301+P330+P331, P303+P361+P353, P305+P351+P338

Weight	Order Nr.
500 ml	65 3019

Fiberglass polish & brightener

Excellent polish that restores intense shine and original color to aged GRP surfaces, aluminum, chrome and painted surfaces. Protects and maintains shine and color. Biodegradable.

Danger warnings: EUH066, P102, P262, P280b, EUD011

Weight	Order Nr.
1l	65 3022

Fiberglass mats

Available in two versions, coarse and fine, each 1m² - 300g/m²

Model	Order Nr.
coarse	64 1990
fine	64 1991

EPOXY

Light Epoxy - KIT

Used to repair and level out irregularities above and below the waterline on GRP, wood, steel and aluminum. Very good against osmosis.

Danger warnings: H302, H314, H317, H410, EUH071, P102-P405, P280F, P301+P330+P331, P303+P361+P353, P305+P351+P338, P273-P501a

Weight	Order Nr.
1000 + 500ml	64 1985*

Gelcoat - KIT

This kit consists of polyester resin top coat and fast hardener. For the final repair on fiberglass and polyester surfaces.

Danger warnings: H226, H242, H302, H314, H361, H372, H319, H335, H315, H412, H210-P405, P102, P201-P202, P210, P220, P234, P260c, P262, P270+P264a, P280, P273-P501a, P301+P330+P331, P303+P361+P353, P305+P351+P338, EUH208

Weight	Order Nr.
120 g	64 1981

Polyester

Polyester filler

This kit consists of sandable white polyester filler and hardener.

Danger warnings: H226, H361, H372, H319, H335, H315, P102, P210, P260, P271, P280, P303+P361+P353-P352-P312, P305+P351+P338, P501

Weight	Order Nr.
250 g	64 1987

Epoxy resin

This kit consists of an almost transparent epoxy resin and hardener. The result is a very resistant construction after a repair.

Weight	Order Nr.
100 g	64 1982
1 kg	64 1983

Polyester resin - KIT

This kit consists of resin with rapid hardener and a mat. It is suitable for small fiberglass repairs.

Danger warnings: H242, H302, H314, H315, H319, H335, H361d, H372, H412, H226, EUH208, P102-P405, P210, P220, P234, P243, P260, P273, P280, P302 + P352, P304 + P340, P301+P330+P331, P303+P361+P353, P305 + P351 + P338, P403 + P233

Weight	Order Nr.
200 g	64 1980

Polyester filler

This kit consists of polyester resin and chopped glass fiber mixture for direct filling of holes and cavities as well as for small repairs.

Danger warnings: H226, H361, H372, H319, H335, H315, P102, P210, P260, P271, P280, P303+P361+P353-P352-P312, P305+P351+P338, P501

Weight	Order Nr.
250 g	64 1986

Epoxy filler for underwater

High-strength two-component epoxy kit. For repairing, filling, gluing and converting. Waterproof. Easy to sand.

Danger warnings: H302, H314, H315, H317, H410, H412, EUH071, P101, P102-P405, P262, P280F, P301+P330+P331, P303+P361+P353, P305+P351+P338, P273-P501a, P332+P313, P273-P501a, EUH205

Weight	Order Nr.
300 ml	64 1988
1,5 kg	64 1989

Explanations of the danger warnings can be found at the end of catalog A. Always read the label and product information before use. * As long as stocks last
